

METAL ROOFING

EXPRESS PIEZO soldering irons have given a new design : they are still fitted with the swivel attachment (to prevent breaking or coiling of the hose)...and now, many other features !

Cat. No. **6367/8**
with 678 tip

OR
Cat. No. **6367/9**
with 679 tip

High-resistance knob to prevent accidental adjustment of the gas flow rate

Soft-touch ergonomic handle

Swivel attachment 3/8° left in

Allen key to access interchangeable parts

The flush Piezo ignition and compact metal casing make it excellent for work in hard-to-reach places (roof guttering, downpipes, etc.)

Cat. No. **364**

Ideal for finishing work ! The metal casing of the hoseless soldering iron has been designed identically to the 367/8 and 367/9 soldering irons.

SELF-MAINTENANCE

- ⊕ The **Piezo** can be changed **without tools**.
- ⊕ The **ignition system** can be changed easily in using the **key built into the metal casing**.
- ⊕ The **gas nozzle** can be accessed by removing the burner, also using the built-in key.

NEW RELEASES

FLAT ROOFING PIEZO TITANE R TORCHES

Torches fitted with a safety handle, quick-release coupling and piezo trigger.

Synchronised Piezo ignition

SAFETY HANDLE (the torch turns off when the operator releases the handle)

Fast connector

Gas flow rate variation

TITANE R BURNERS

50 kW
184 000 BTU/h
Cat. No. **50RL200**
TITANE R BURNER
Dia. 1.96 in / 5.11 in neck tube

100 kW
345 000 BTU/h
Cat. No. **100RL200**
TITANE R BURNER
Dia. 2.36 in / 5.11 in neck tube

150 kW
511 500 BTU/h
Cat. No. **150RL200**
TITANE R BURNER
Dia. 2.75 in / 5.11 in neck tube

150 kW
511 500 BTU/h
Cat. No. **150RL400**
TITANE R BURNER
Dia. 2.75 in / 15.74 in neck tube

150 kW
511 500 BTU/h
Cat. No. **150RL600**
TITANE R BURNER
Dia. 2.75 in / 15.74 in neck tube

150 kW
511 500 BTU/h
Cat. No. **150RL600**
TITANE R BURNER
Dia. 2.75 in / 23.62 in neck tube

PIEZO TITANE RANGE

As robust and lightweight as ever, they feature electric ignition, for improved safety on worksites and enhanced user comfort !

50TP
Cat. No. **50TP**
TITANIUM PIEZO BURNER
Dia. 1.96 in / Power 50 kW (184 000 BTU/h)

100TP
Cat. No. **100TP**
TITANIUM PIEZO BURNER
Dia. 2.36 in / Power 100 kW (345 000 BTU/h)

150TP
Cat. No. **150TP**
TITANIUM PIEZO BURNER
Dia. 2.76 in / Power 150 kW (511 500 BTU/h)

50TPL200
Cat. No. **50TPL200**
TITANIUM PIEZO BURNER
Dia. 1.96 in / Power 50 kW (184 000 BTU/h) + 5.11 in neck tube

100TPL400
Cat. No. **100TPL400**
TITANIUM PIEZO BURNER
Dia. 2.36 in / Power 100 kW (345 000 BTU/h) + 15.74 in neck tube

150TPL200
Cat. No. **150TPL200**
TITANIUM PIEZO BURNER
Dia. 2.75 in / Power 150 kW (511 500 BTU/h) + 5.11 in neck tube

150TPL400
Cat. No. **150TPL400**
TITANIUM PIEZO BURNER
Dia. 2.75 in / Power 150 kW (511 500 BTU/h) + 15.74 in neck tube

650
Cat. No. **650**
BI-MATERIAL AND ERGONOMIC HANDLE
