

Long-life turbo copper tip

CAT. NO. 1779

**Suitable for extreme conditions
(high altitude, strong wind, cold)**

Lasts five times longer
than a traditional tip,
thanks to an innovative
surface treatment

Reduced wear of the tip,
means **less effort required**
to adapt movements

45 x 5 mm
1.77 x 0.20 in

± 310 g / 0.68 lb

Less maintenance: only light
maintenance using the Express salmiak
stone Cat. No. 9641 or 9642 is required

**The flame penetrates into the core
of the tip** to reach the correct
working temperature more rapidly

TIP RANGE

778

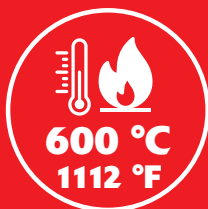

779

1778

1779

- Do not beat the tips
- Do not file them
- Do not overheat them
- Do not plunge them into cold water
